LB 613, as amended by AM 1522 and AM 1548, now amends Nebraska Statute Section 50-406 to clarify that the Legislative Council, any committee thereof, any standing committee, or special committee may hold public hearings, and issue subpoenas when the committee has received prior approval from the Executive Board of the Legislative Council. The subpoenas shall be for a specific inquiry or investigation.

In addition, as amended, the bill states that the council or committee may require any state agency, political subdivision, or person to provide information relevant to the committee’s work and that such entity or person shall provide the information within thirty days. Any litigation to compel or quash compliance is to be heard in Lancaster County Court with right of appeal to the Court of Appeals.

The bill contains the emergency clause.

There is no fiscal impact as a result of LB 613, as amended.
